

**TENTH PRESBYTERIAN CHURCH ADULT BIBLE SCHOOL
HARD SAYINGS OF THE APOSTLE PAUL II
SUMMER, 2019**

DESCRIPTION: In reading the Apostle Paul, you have no doubt come across a puzzling phrase or verse. This summer again we plan to look at selected texts that have been considered “problems”. For instance, what does Paul mean when he talks about being “faultless before the law,” or “the man of lawlessness,” or “Cretans are always liars.” Come prepared to think through and discuss with us the context of these statements along with suggested interpretations.
