## VERSE 1

As we gather, as we sing  
Would you draw our hearts to Thee  
One desire, Your renown  
Reveal Your glory, to us now

## PRE-CHORUS

In the center  
Here be found

## CHORUS

God be praised, we'll worship and adore  
Our hearts we raise, to our sovereign King and Risen Lord  
Only You are God, only You are good

## VERSE 2

This our offering to You Lord  
With songs we pray Your kingdom come  
Your kindness leads us to Your grace  
Mercy fall down on this place

## BRIDGE

Let Your love be the rhythm of our lives  
Let Your name be the banner over us  
Let Your fame be the center of our song and by Your grace we sing
